

Announcing a Forest Landowner Workshop

*Don't Just Own Your Forested Property,
MANAGE It*

Learn About:

1. Obtaining Information & Professional Assistance
2. Determining Ownership Objectives
3. Improving the Forest Environment--- Keeping Trees and Forests Healthy
4. Property Ownership Liabilities
5. Developing a Forest Management Plan
6. Estate Planning, Trusts and Taxes of Your Property
7. Controlling Invasive Species

Who's Invited? Landowners and persons who own or are considering forest land ownership will find this educational workshop an exceptional opportunity. Anyone with forest cover on part of their property will learn how to practice sustainable forestry and how to manage the land to meet their objectives

When and Where: Saturday, March 20 from 8:30 am to 2:00pm ET at the Chester Frost Park, 2318 North Gold Point Circle in Hixson, TN

Registration and for more information: Register for the workshop with the Hamilton County UT Extension office at 423-855-6113. The cost is \$10.00 which includes lunch and workshop materials. The workshop is sponsored by UT Extension and the TN Division of Forestry.
